

GET MORE OUT OF YOUR FUEL™

EZ-GRIP

FILTER CUP

EASILY REMOVE FUEL
FILTERS AT THE DISPENSER

EZ-GRIP

FILTER CUP

NEW!

Model
#60070

EASIER & SPILL-FREE FILTER "CHANGE-OUTS"!

- ▶ Innovative cup design is engineered to grip the filter and catch fuel when replacing dispenser filters...No Mess!
- ▶ Allows for faster change-outs and less dispenser downtime.
- ▶ Cup helps to avoid getting fuel directly on hands/skin and spills in sump.
- ▶ Fuel filter cup can be used on all brands & styles of fuel filters at the dispenser.

The Cim-Tek **EZ-GRIP** Filter Cup is made to withstand the aggressive nature of Gasoline, Diesel, and Biofuels.
